## Beiseker Lions Stage Ice Carnival

BEISEKER — One of the gala events of the winter season was staged at Beiseker on February 28 when the Lions Club sponsored their annual Ice Carnival under the direction of Mrs. C. L. Schmaltz.

Mayor L. L. Schmaltz officially opened the performance and extended greetings of welcome to a very large crowd of spectators. The newly-elected queen, Miss Sylvia Plowman, was then crowned by last year's queen, Miss Shirley Haase. The queen was also attended by her ladies-in-waiting, Miss Yvonne Sterne and Miss Joyce Howlett. Words of congratulations were then extended by Mr. W. Tidy, president of the Lions Club, who presented each of the girls with prizes. Mrs. Lorraine Long of Calgary was the winner of the G.E. Radio.

A very beautiful display of skating was then enjoyed by all. The tiny tots drew much applause from the crowd and every number up to the seniors was highly appreciated.

The Beiseker band was in attendance and gave some very good numbers.

Very good hockey was played after the carnival, in a match between Beiseker High School and Greenfield Seniors. The score was 7-5 in favor of Greenfield.

In an afternoon game between the Lions and Tigers Pee-Wees, the Lions won by a score of 5-2. Clarence Metzger is the coach.

## Beiseker 'Spiel Is Great Success

BEISEKER — The Beiseker Bonsel came to a most successful conclusion on Monday night, after being held up for more than one day by soft ice. Twenty-eight visiting and local rinks competed in the events, and some very good curling was witnessed by a large crowd of spectators during the week.

The winning rinks are as follows:

### Beiseker Motors Trophy Event

1. G. Wickerson, Crossfield.
2. John Horroden, Irricana.
3. Balser Schmaltz, Beiseker.
4. Roy Gilberg, Irricana.

### The Adams Shop Trophy Event

1. Balser Schmaltz, Beiseker.
2. G. Wickerson, Crossfield.
3. Bob Knight, Irricana.
4. Clarence Smith, Acme.

### Citizens' Event

1. George Reddekopp, Acme.
2. J. McColl, Crossfield.
3. Neil Hay, Irricana.
4. R. McColl, Acme.

The grand aggregate was won by the G. Wickerson rink of Crossfield.

## Curlers Carry On Despite Lack Of Ice

BEISEKER — Curling must go on, and after toing the rink by fire, quite a few are going to Calgary to curl. Tony Wald skipped a rink consisting of L. L. Schmaltz, Adam Velker and Balser Schmaltz against his son, Max, in the arena last Thursday and ended up in a tie.

Tony Schmaltz also skipped a rink against a club in the city. Score unknown to all concerned.

Mr. and Mrs. Len Schmaltz, Mr. and Mrs. L. L. Schmaltz, Mr. and Mrs. Adam Velker and Mr. and Mrs. Don Smith, also curled in Calgary last week.

JAPANESE BRIDE takes in sights of Edmonton. Everything seems new and strange to Mrs. Ken Beeds, as she is shown around Edmonton by her husband, following their recent arrival from Japan. The fourth Japanese bride of a Canadian soldier to arrive in this country, Teruko met her husband in a tea shop in Kure, where he was stationed with the 2nd Battalion, Princess Pats. Following stop-over in Edmonton, the young couple left for their home at Lloydminster, Sask.

## W.A.A.Hears Guest Speaker

BEISEKER — The Women's Association of Zion United Church held their monthly meeting in the church basement March 3. Following worship service and the business meeting, Mrs. Collinge of Acme addressed the group. Two new members, Mrs. Pam Derr and Mrs. Gus Lick, joined the association.

Renovation of the church basement, one of the projects of the WA, is almost completed by volunteer workers. Mr. G. Berreth has made an excellent job of the cabinets and tables he constructed for the kitchen. The WA purchased an electric range.

After the meeting an enjoyable lunch was served by the hostesses, Mrs. G. Berreth, Mrs. E. Grabinski, Mrs. J. Rau and Mrs. Tidy.

Mr. and Mrs. Bill Perks of Maréville visited the Felix Hagel family over the week-end.

Frank Schmaltz was an Edmonton visitor for three days.

Mr. and Mrs. D. Olsen spent a few days in Edmonton last week.

## Beiseker News Briefs

Jim Hagel is home from Lethbridge on a three-week holiday. Margaret and Marie Hagel were home last Sunday.

Mr. and Mrs. Ronnie Selzler and daughter, Beth, of Edmonton, spent a few days at the Pete Schmaltz and Jake Selzler homes.

Born to Mr. and Mrs. John Zacher twins, a son and a daughter, at the General Hospital, Calgary. Congratulations.

Mrs. H. Neubauer is reported to be progressing very favorably after an operation at the Holy Cross Hospital.

Miss Eva Wegener is doing well

after an operation at the Holy Cross Hospital.

Mrs. Raymond Hagel who has been ill for over a month is getting along as well as can be expected, and it is hoped she will be up and around soon.

A ladies' curling rink skipped by Mrs. Adam Velker won second prize in the third event at Swallow. Mrs. Harry Simmonds played third, Mrs. D. B. Olsen second, and Mrs. F. P. Schmaltz lead.

Mrs. Harry Simmonds is playing in the ladies' curling bonspiel in Calgary this week.

Mrs. E. B. Hagel, Mrs. A. A. Wald, Mrs. Bill Ternes and Mrs. Balser Schmaltz entertained at CWL card parties.

## Rat War Continues At Border Line

ESTHER — The war on rats continues in this Alberta-Saskatchewan border area, and Thursday, an immigrant German farmer killed a dozen rats on his rented farm, eight miles south of Esther. The rats were found in an old shed that was being used as a pig pen. Mr. Schroeder also killed one muskrat.

## Home, School Formed At Ratepayers' Meet

HAIRY HILL — A very successful annual meeting of the New Hairy Hill School district was held on Friday, February 20. Over 50 ratepayers were present.

Mr. Frank Zahradchuk was re-elected local trustee.

A discussion followed Mr. Metro Toma's report. Mr. Toma is the divisional trustee.

Mr. N. Poohkay, principal of the New Hairy Hill School, reported on the services rendered in school and the extra-curricular activities.

Following this meeting a Home and School was formed. The following officers were elected:

President, Mr. Anton Shchuruk; Vice-President, Mr. John Onys; Secretary-Treasurer, Mr.

## Leveland News Briefs

Pastor and Mrs. C. C. Voht of Calgary were visiting with the SDA Church over the week-end.

Mr. and Mrs. Dave Lang returned a week ago after staying in Portland for a few weeks.

Ester Redgrove and Florence and Dalles were visiting over the week-end with her sisters, the Heathers.

John Dias returned after visiting in California for a month.

Mr. and Mrs. Raymond Triebwasser of Balsam were visiting with the SDA Church and friends over the week-end.

Mr. and Mrs. Charles Hambley of Naamie were visiting with the SDA Church and friends over the week-end.

Miss Joyce Lang of Calgary was visiting with friends of this district over the week-end.

Steve Homeniuk and family were visiting the SA Church and friends on Feb. 28.

Maryllis Gramms and Geraldine Roth from Canadian Union College were visiting with their parents over the week-end.

Mr. and Mrs. Fred Metzgar of Calgary were visiting with their parents for a few days, Mr. and Mrs. Ben Heather.

Mrs. Elizabeth Merguerat and Donna of Midlandvale were visiting with the SDA Church over the week-end.

Chris Roth made a business trip on March 2 to Lacombe.

Elwood Leiske of Calgary was in the Leveland district March 4.

## Local C.Y.O. To Present Play

BEISEKER — For the second successive year the CYO Players of Beiseker will present for the general public a full length play. Last year many from Beiseker district and neighboring communities attended and enjoyed the presentation of one of the classics in Moliere's "The Miser." This year it will be something entirely different in "Nine Girls," a play in a prologue and two acts. Not only is it different because of an all-girl cast but also because when not concerned with murders it is a frolicsome comedy, a thriller with even an aspiring Lady Macbeth. The audience is let in early on the high crime suspect and is kept a few paces ahead of the criminal, happy with a guilty secret. "Nine Girls" demonstrates again that the female of the species is more deadly than the male . . . nine times more! The play moves at such an accelerated pace there is no room for gloom to blot out the excitement of two thrilling acts. The cast includes Elaine Bunyan, Florence Schmaltz, Rosemarie Wald, Margaret Albert, Viola Meidinger, Vera Schwartzberger, Victoria Hagel and the "Gruesome Two-some" Bernice Schmaltz and Marilyn Silbernagel. Bernice Hagel also has a part in the prologue. Father Tennant is the director with James and Marcus Hagel in charge of technical arrangements. It is planned to have two public performances on evenings of Wednesday and Thursday, March 25 and 26, in the Beiseker Memorial Hall. Curtain time is promptly at 8:30 p.m.

John Kushniruk. Sometime in the near future some films will be received and shown to the group and a meeting will be held then.

## Curling Rink Proposed

BEISEKER — About 75 people attended a Curling Club organization meeting in Kathryn on Feb. 25 and voted in favor of building a rink. A provisional board of directors were elected consisting of A. Brown, Harold Anderson, Ludwig Schmidt, Bob McKay, Gus Berreth, W. A. Longson, Cecil Anderson, Arnold Jones, Paul Nixdorf and Walter Anderson as secretary. A three sheet rink to be situated at Kathryn was proposed.

All interested persons are requested to attend a general meeting at the Kathryn High School Auditorium on Tuesday, March 10 at 8:00 p.m. Moving pictures will be shown.

## Ottawa Provides Irrigation Funds

OTTAWA — The federal government plans to continue work on two Alberta projects in the next fiscal year and to make a start on a project to help two Saskatchewan cities—Moose Jaw and Regina—get more water.

Estimates for 1953-54 tabled Wednesday in the commons included \$7,893,000 for prairie irrigation projects, an increase of more than \$300,000 from \$7,564,000 in the current year.

Of the total \$4,287,000 will go toward development of the Bow River irrigation project in Alberta, a scheme to provide irrigation for some 240,000 acres near Lethbridge. The government spent \$4,800,000 on this program last year.

Another \$1,640,000 is planned for the St. Mary's River project to irrigate 450,000 acres between Lethbridge and Medicine Hat. This is an increase from the \$1,200,000 spent on this program in the current year.

In Saskatchewan, \$360,000 is provided to make a start on pumping water from the South Saskatchewan River into the Qu'Appelle River Valley to boost the water flow into Buffalo Pound Lake which feeds water to Moose Jaw and Regina.

The federal government has promised to help maintain a high Buffalo Pound Lake level for the two water-short cities.

The estimates also contain a \$500,000 item covering the controversial South Saskatchewan River development, but agricultural officials said the item was inserted before the cabinet saw the royal commission report turning down the project as uneconomical.

The money may be used to proceed with further engineering studies if the cabinet decides to make further studies on the project or it may be put to some other uses in prairie irrigation works.

## Plan Eradication Of Notorious Buchenwald

BERLIN (AP)—Buchenwald concentration camp, where more than 100,000 prisoners of the Nazis died in agony and squalor, is being given back to nature.

The Communist government of East Germany has decided to eradicate the infamous horror camp, now lying in disuse, by tearing down all the buildings and covering the area with pine trees. The first plantings will begin in the spring. The job is expected to take two years.

## Miss Della Walker Feted At Shower

KEEPPHILLS—A bridal shower for Della Walker was held on Friday night, Feb. 20. About thirty ladies gathered and games were played. After opening the gifts, a very nice lunch was served. Della received many beautiful gifts and best wishes. Mrs. Norgren and Miss Evelyn Wishott were hostesses. Mrs. Ernest Tattersall extended to anyone interested, an invitation to drop in at her home the evening of March 10 for a piece of wedding cake and a peek at the bride and groom before they leave for Golden, B.C.

## Teachers Meet In General Session

ANDREW—Teachers of the six central schools, Andrew, Lamont, Mundare, Chipman, St. Michael and Bruderheim, and of all the rural schools in Lamont School Division, met in the Lamont High School Auditorium.

M. W. Krywaniuk and J. W. Huculak, both of Andrew, were chairman and secretary respectively.

Oliver Chelnyk, chairman of the film library committee, reported on the progress made in establishing a film and film-strip library. John Kozlak of Lamont, chairman of the Track Meet committee informed the body that the division track meet will this year be held in Lamont, during the latter part of May. N. A. Melnyk of Andrew, chairman of the public-relations committee emphasized good public relations.

Group insurance, which came into effect about seven months ago, was discussed and received many favorable comments.

The teachers unanimously decided to re-open salary negotiations with the Division School Board and to negotiate for a basic minimum of \$2200. A Salary Negotiations Committee consisting of M. W. Krywaniuk, Eric Hale and J. W. Huculak was chosen.

## Namao Home, School Enjoy Films

NAMA0 — The Home and school met Monday evening, Feb. 9, with 50 present. Mr. Barner of the Indian School showed film of Ethiopia, but only one-third of the slides he has were shown in the hour he allotted himself. It is planned to have him return to the April meeting to show the balance of these. All present really enjoyed his interesting commentary as he showed the slides.

## Valentine Party Little Tots Enjoy

GIBBONS—Friday, Feb. 13, was a happy day in the Gibbons classrooms. Ordinary lunches were left at home and replaced by cake, sandwiches and candy. Those children fortunate enough to have pre-school brothers or sisters proudly brought that small person to the "party".

Some of these little people were Judy Rowswell, Grant McWhirter, Benny Toane, George Fraser, Wendy Gibbons, Brian Hughson, Charlotte Williams, and two pre-school Serink and Onishko children.

## Strip Scores Broadway

The Broadway Association, which is on the conservative side for such a garish street, is worried by reports of a plot to undermine the city's morals by bringing back burlesque, including strip, bumps and grinds.

The association has advised License Commissioner Edward T. McCaffery, who is supposed to see that such matters are not permitted, that one Times Square theatre is presenting a show that may be a stepping-stone to

worse. The lobby display, says the association, indicates that this show is hotter than anything else around.

An investigator from The News visited the place and reported back that the show is bad, all right, but only because it's no good.

## Reports Awaited On Coyote Analysis

BON ACCORD — Reports of analysis on the heads of three coyotes killed in the Bon Accord district are awaited.

Wednesday, February 18, Her-

shal Samis ran over a dopey coyote, which insisted on staying on the road. To kill the injured animal he shot it. The head of this coyote was sent to Edmonton to the proper authorities for analysis.

Two coyotes wandering on the railroad tracks running through Miss B. Hall's property, were killed by the train last Friday. Heads of these beasts were also taken to Edmonton for analysis.

The unpleasant task of transporting the grisly cargo to Edmonton fell to Mrs. George Carleton, wife of Councillor Carleton.

## Western Women Curlers Compete For Championship Trophy At Regina

The Eaton Western Ladies' Curling Championship Trophy, emblematic of curling supremacy among lady curlers in Western Canada, was competed for by three Western rinks in Regina, March 3rd and 4th.

The finals, which took place in the Regina Curling Club, saw Manitoba represented by a Rapid City rink, skipped by Mrs. G. Dick, with third Mrs. M. Wolstenholme, second Mrs. M. McKinnon, and lead Mrs. S. Pettapiece; Saskatchewan, represented by a Regina rink, skipped by Mrs. M. Perkin, with third Miss P. Day, second Mrs. G. Graham, and lead Miss J. Miller; and Alberta, represented by a Medicine Hat rink, skipped by Mrs. D. Close, with third Mrs. F. Adams, second Mrs. M. Hayward, and lead Mrs. M. Oliphant.

Bidding fair to become a national event, the new competi-

tion has added considerable impetus to curling among women's rinks throughout the West. The opportunity to take part in the finals has been eagerly sought after by many rinks.

Provincial playdowns have taken place in Alberta, Saskatchewan and Manitoba, the contestants in the final being the winners of the respective playdowns. It is expected that next year British Columbia will be a strong contender.

Eaton's of Canada, sponsors of the championship, has provided transportation expenses and ac-

## Rabies Is Confirmed In Southern Alberta

LETHBRIDGE — Rabies has been found in two southern Alberta towns, Dr. Robert Connell, animal pathologist at the veterinary research laboratory here, reported Wednesday.

The virus was found in the heads of two dogs, one from Picture Butte, 15 miles north of Lethbridge, and the other from Burdett, 65 miles east of here.

The Burdett case is the farthest south rabies has been reported since the outbreak began in northern Alberta last summer. The previous southernmost case was at Leduc, 20 miles south of Edmonton. Burdett is 60 miles from the United States border.

Dr. A. W. Allan, veterinarian in charge of the health of animals division here, said the disease may have moved in from the south. He said there was an outbreak in southern Montana 18 months ago and rabies could have been passed northward by coyotes, skunks and even by mice.

Dr. Allan is awaiting instructions from Ottawa regarding quarantine of dogs and vaccination. Meanwhile he has asked that dogs be kept in-close check.

Dr. Connell is awaiting positive identification of rabies in a coyote shot at Hardville, just north of here.

### A Prosperity Budget: Something For Everybody

The Minister of Finance, in announcing tax cuts, said the increased productivity of the country and economic developments in the nation enabled the government to pay for defence and social security, and at the same time reduce taxes by a million dollars a day in a full tax year. In 1953, the tax reductions will mean a revenue loss of \$237 million, since the 11 per cent income tax cut is effective July 1, 1953.

In the budget address Thursday evening, February 19th, the Minister of Finance, Hon. D. C. Abbott, Q.C., M.P., announced a series of drastic changes in the tax structure of this country. In effecting these changes, he rolled income taxes back to 1949 levels, slashing government revenues \$361 million in a full year.

Since Mr. Abbott brought down the budget opposition parties have levelled so much criticism at it we think its benefits should be listed, and here they are:

1. Income Tax Down 11%—Effective July 1953, income tax rolled back to 1949 levels, and with defence surtax completely eliminated.
2. Cigarettes Cheaper—Price of a 20-cigarette package restored to 35c. This represents a cut in the excise tax of four cents per package, or \$2.00 per thousand.
3. Stamp Tax Out—Henceforth there will be no need for stamps on cheques, money orders, etc. This tax is repealed immediately.
4. No Radio and TV Licence Fee — The \$2.50 licence fee on radios is abolished, and no license fee will be imposed on TV sets.
5. Increase from 10% to 20% on Deductible Corporation Dividends — The purpose of this change, the Minister of Finance said, is to encourage the people of Canada to increase their stake in Canada's future. He said it would seem to be a good thing if Canadians were encouraged, where they can safely do so, to join in a wider participation of equity ownership in the expanding industrial wealth of our country.
6. Deductions for Medical Expenses increased.
7. \$400 exemption for dependents over 21 years attending University.
8. Changes affecting the small businessman — The changes, effective at once, make reduction of corporation tax rate applicable to the first \$20 thousand of profit, thus according the small businessman a tax cut of 50% on the first \$20 thousand. At 1952 rates the small businessman has paid total taxes of \$7,000 on the first \$20 thousand of profit. With new rates, he will pay only \$3,600.
9. Books will be cheaper—The sales tax on books and material used in their production is repealed. Sales tax also abolished on newspaper.
10. Debt Reduced 30% per capita since 1946 —Net debt of Canada (per capita) has been reduced from \$1,092 in 1946 to \$752 in 1953, or 30%, as a result of increases in population and net debt deduction of \$2,284 million in the last seven years. This means an annual saving in interest of \$63 million a year.
11. Farmers and Fishermen Benefit—Farmers and fishermen will benefit from tariff reductions on a number of items which now will enter the country duty free. Plow bolts and other items are of interest to farmers, and for fishermen substantial savings will result in gasoline engines and parts being placed on the free list. Wire rope used in fishing operations is reduced to 10% duty 'most favored nation' and free on British preferential tariff.

### The Bible Today

But we know that the law is good, if a man use it lawfully.—Timothy, 1: 8.

## Good News For Albertans

The Speech from the Throne read last week by Lieut. Governor J. J. Bowlen at the opening of the Legislature, was a harbinger of good news to every resident of Alberta.

While other provinces are faced with retail taxes and mounting debts, Alberta, due to the oil boom of recent years, is now virtually debt free. It has taken some time for the benefits of the bulging oil revenues to work themselves down to the level of the common man, but that's what's been promised now, starting this year.

The biggest news is that Municipalities will be able to borrow all the money needed in a few years from the Provincial Government. That will be at a very low rate of interest, which will save every payer of Municipal taxes real money.

Alongside this good news is the fact that Alberta highways will enjoy the biggest building program of all time and a lot of help and assistance is to be given to building good roads in rural districts.

There will be loans to students and control measures for rabies. Undoubtedly other good news will be released from the Legislature chambers during the next six weeks.

This is indeed a golden age for this Canadian province. Besides the ordinary revenues and extraordinary revenues secured from within the province the Provincial treasury benefits by \$28,000,000 annually from the Federal Government. Indirectly, by payments to individuals of Old Age Pensions, and Family Allowances, the Provincial Treasury benefits by another \$26,000,000 from Ottawa. In addition, the Federal Government spent another \$80,500,000 in Alberta last year on Health, Farm Assistance, Highways, Defence, Conservation and in other ways.

### Need Farm Support Prices

A despatch from Washington reports that during the past year prices of American farm products have dropped 11%. At the same time the goods and services which the American farmer buys have dropped 2%. We only have the Canadian figures for the first nine months for 1952, and farm income declined by the same amount of 11% while farm costs rose 5%, making a net decline in gross income to the Canadian farmer of about 15%.

At the same time, industrial wages for the same nine-month period are up 10%.

In the circumstances, Federal Government prices support is fully justified. These support programs at the present time apply to cattle, hogs, butter, eggs and cheese, and have been low enough to discourage inefficient production.

Considering the net income of farmers, surely few Canadians would contend that the amount of assistance granted has been too generous.

### Good Samaritans

Mankind may be divided into two classes: those whose chief object in life is to obtain things for themselves, and those who live to benefit others, to give as may be needed of themselves and their substance. These Good Samaritans of the race can be found among sinners as well as saints, among men of low degree as of high, among the uneducated and the educated, the poor and the rich. They make up the great international Army of Service, whose distinguished badge is a loving heart and two willing hands.

As a little leaven will cause a great mass of dough to rise, so the influence of even one spiritually motivated human being will spread throughout the mass of the race, beginning naturally with those individuals with whom he is most closely associated. There is no argument so potent as example, no theory that can stand alone against a practical demonstration. He who lives the life will know what is best to do in any given circumstance: he will find the wisdom he needs in dealing with his fellows. He need not make a great ado about it, he need merely go about his normal business, living according to his best light, one day at a time. That is sufficient—provided he is spiritually awakened.

### ALL FOR KING JAMES

Rev. Nix of Lamont obviously doesn't know very much about either the King James Version of the Bible or the new standard revised version. In forty years of study I have never found the K.J.V. to contradict itself, but this new Bible contradicts not only the K.J.V. but itself too.

In Dan. 8:14 K.J.V. tells of a prophecy of 2300 days, this being symbolic time. In Ecks 4:6 a day is represented as a year. In the new Bible it says '2300 evenings and mornings, changing the Prophecy into literal time. Then the K.J.V. reads "shall the Sanctuary be cleansed". The new translation reads it "shall be restored to its rightful place," whatever that means. If these modern translators knew anything about sanctuary prophecy they wouldn't make changes that throw passages of scripture out of harmony.

In 2 Peter 2:9 the K.J.V. reads "reserve the unjust unto the day of judgment to be punished". In the S.R.V. it reads "the unrighteous under punishment until the day of judgment." This brings in the false theory of hell or heaven at death.

These translators have brought in translations in many instances to correspond with their own pagan doctrines.

I could quote scores of passages misconstrued by the translators of the S.R.V.. Therefore it would be difficult for a student of the K.J.V. to accept it as the inspired word of God.

## LETTERS TO LOUISA

Dear Louisa,

I am a girl twenty-seven years old and I have been dating a boy for about ten years. He has been very nice to me but here lately he has been going out with a married woman who is much older than I am.

I love him very much but what must I do—let him go or not?

M.

Answer:

My advice is to let him go. If he hasn't got around to the question of marriage after ten years of dating, he evidently has no intention of ever doing so. And certainly, if he is going out with a married woman, he is not the kind of person you can depend on even if he does ask you to marry him.

Get interested in someone else and stop wasting time with him.

Louisa.

Dear Louisa,

I liked a boy who was sixteen and I was fourteen but my mother wouldn't allow me to go on dates with him because she said I was too young. So he started to like another girl who was my same age but who could go out on dates.

In the meantime he has moved almost a hundred miles away from here and I would like to write to him. Do you think it would be all right for me to do that as he has not written to me?

R.

Answer:

I told someone a few weeks ago the same thing I am telling you

now. It is always correct to send a greeting card of some kind to anyone so why not send a Valentine or Easter card to your friend. You could put a short personal note on it saying that his old friends were missing him and would like to see him sometime.

Louisa.

Dear Louisa,

I am the mother of seven children. My husband won't help with the children or give me any money to buy the children clothes for school. All they have is what is given to them and that is very few. I am sick half of the time but have no money to go to the doctor. Do you think it would be wise for me to see a lawyer about this?

Please help me if you can.

Mrs. S. B.

Answer:

Your husband should certainly be made to support your children. If you don't know a good lawyer why don't you talk to a minister in our community and perhaps he can tell you of a good lawyer who can help you.

Louisa.

## \$1 for Favorite RECIPE

### CHOCOLATE PEANUT BARS

Two cups sugar  
One cup milk  
Three tablespoons peanut butter

One teaspoon vanilla extract  
Melted coating chocolate

Place the sugar, milk and peanut butter in a saucepan and cook, stirring constantly, to 240 deg. or to the soft ball stage. Remove from heat and add the vanilla extract; then beat until mixture begins to harden. Pour into a buttered pan or between buttered candy bars. When cold, cover with chocolate and when firm cut into bars.

A \$1.00 cheque has been sent to Miss Margaret Walker of Burtonsville for this Favorite Recipe. The editor will pay \$1.00 for each Favorite Recipe published. Send yours to P.O. Box 4430, South Edmonton, Alberta.

## THE LIGHTER SIDE

### Unusual Request

To neutralize the odor of the stockyards district as the bus went by it, a lady passenger bought a bottle of lavender salts. She uncorked the bottle one block away from the district and kept it under her nose until the bus passed the section.

One morning as she rode along she glanced out of the window and saw that it was time to uncork the bottle. She did so and held it to her nose. As the smell of stockyards grew stronger she held the bottle closer to her nose. When the bus reached the heart of the stockyards district, a man across the aisle shouted:

"For gosh sakes lady, close that bottle!"

### Not That Way

An Irish bricklayer was on the top of the partly-built house, and shouted to the foreman that he could not find his way down to the ground.

"You fool—come down the way you went up," shouted the foreman.

"Not on yer life. I came up head first," the Irishman yelled back.

### Crushing Retort

Second Ditto — Another thing that I can do and you can't.

### Basle American

In Johannesburg, South Africa an old lady sitting opposite a gun-chewing U.S. soldier in a suburban train, smiled amiably, finally leaned forward and said apologetically:

"It's very kind of you to talk to me, str, but I am stone-deaf."

### Let Him Through

Aviator (explaining crash)—I just happened to get into an air-pocket.

Sympathetic Old Lady — Oh, dear! And I suppose there was a hole in it.

### Not From the Sound

Margery — What makes baby cry so, Mamma?

Mother—He's getting his teeth, dear.

Margery — Well, doesn't he want to have 'em?

### Taking Advice

Hoping to inspire his workers with promptness and energy, a Canadian business man hung a number of signs reading "DO IT NOW" around his factory and office.

When he was asked some weeks later how his staff had reacted, he shook his head sadly.

"I don't even like to talk about it," he said. "The head book-keeper eloped with the best secretary I ever had; three typists asked for an increase; the factory hands decided to go on strike and the office boy joined the navy."

### Patience

A man had been waiting patiently in the post office, but could not attract the attention of either of the girls behind the counter.

"The evening cloak," explained one of the girls to her companion, "was a redingote design in gorgeous lama brocade with fox fur and wide pagoda sleeves."

At this point the long-suffering customer broke in with:

"I wonder if you could provide me with a neat purple stamp with a dinky perforated hem. The ton ensemble deliberately treated on the reverse side with mauclage something at about two cents."

## Bon Accord Beekeepers' Association Holds Annual Meeting

BON ACCORD — The annual meeting of the Bon Accord Beekeepers' Association was held in Bon Accord on Monday, March 2.

The following officers were elected for the year 1953: President, W. R. Rigney; vice-president, John Pasnak; secretary-treasurer, Pete Kowalski; directors, Mrs. H. W. Briggs, Steve Sawchuk, and Joe Kryschuk.

Orders for package bees were placed through the Alberta Honey Producers Co-operative at quantity discount price. Delivery of bees is expected for Saturday, April 18. Further orders for package bees can still be placed by contacting Pete Kowalski at 11219 101st St., Edmonton, or through the Alberta Honey Producers Co-operative, 10019 106th Ave., Edmonton.

Great enthusiasm was shown among the members present at the meeting concerning the legume seed growers who are now seeking beekeepers to place their hives near their clover fields for pollination purposes. Beekeeping is gaining its recognition and importance among the legume seed growers and gardeners.

Mr. W. G. leMaistre, Provincial Apiarist, attended the meeting and gave a very interesting talk

on the time to start package bees for the best honey production.

He said he had advocated for several years, that Alberta beekeepers should have their packages arrive earlier. He explained that it takes five or six weeks before the eggs a queen bee lays becomes field bees. And to have a large field force of bees when the honey flow begins about July 1st will mean a larger crop of honey from a hive.

Some tests, conducted under the supervision of the Department of Agriculture demonstrated that in 1952 package bees installed April 5 produced 35 per cent more honey than packages hived April 26th. In that year honey production was good in most districts. Mr. leMaistre said this difference in productivity between early and late packages would probably be greater in a poor season.

Mrs. W. R. Rigney, assisted by Mrs. Briggs, served an excellent lunch, tea and coffee after the meeting.

On the whole the meeting, held at Mr. Rigney's, was a great success.

## List One Million For Building Here

A vote of \$1,000,000 for a federal office building in Edmonton tops estimates of the department of public works which were tabled in the Commons Wednesday.

Total of the public works estimates for Alberta is \$2,550,000 for construction, acquisition and major repairs and improvements to public buildings during the next fiscal year opening April 1. In the current fiscal year, the total was \$1,276,000, of which part was not spent and is being revoted for 1953-54.

The appropriation for the federal building in Edmonton includes a revote of \$185,000.

Federal officials said at Ottawa Wednesday that work on the 10-storey structure, estimated to ultimately cost more than \$5,000,000, will be started this year.

The site is just east of the provincial administration buildings, between 98 and 99 aves. and 107 and 108 sts. Part of the property was acquired by Ottawa through an exchange with the city. Additional property in the block has also been acquired.

On Thursday it was reported that some occupants of houses in the block have been notified to vacate by May 1.

The federal building will occupy a site approximately 285 feet by 150 feet. The main entrance will be on 107 st. There is provision for car parking on the west side of the property.

The architect is George Heath MacDonald F.R.A.I.C., of Edmonton.

The estimates also provide \$150,000 for an addition and alterations to the immigration hall in Edmonton.

For Fort Saskatchewan, there is a vote of \$75,000 for a public building. This includes a revote of \$50,000.

The items include \$75,000 for a public building in Wetaskiwin and a similar sum for one in Stettler. For Edson, there is an appropriation of \$150,000, of which \$75,000 is a revote.

The list shows \$100,000 for a public building in Camrose, including a revote of \$25,000. A public building in Athabasca calls for a vote of \$100,000.

Calgary is to receive \$150,000 for accommodation for government services, while there is a revote of \$100,000 for a public building in Lethbridge.

Estimated outlay for buildings for customs and immigration purposes at Chief Mountain is \$100,000 and at Carway \$100,000, the latter being a revote. There is a revote of \$100,000 for a public building at Banff.

The estimates also disclose pro-

vision for certain projects under the heading of improvements to harbors and rivers. These include \$17,000 for a wharf at Aklavik, in the Northwest Territories and \$50,000 for a wharf extension at Fort Franklin, N.W.T. For wharf improvements at Ma-Me-O Beach, on Pigeon Lake, there is a vote of \$16,000.

The public works estimates include \$700,000 for a public building at Whitehorse, Yukon, and \$300,000 for a public building at Yellowknife, N.W.T., of which \$100,000 is a revote. Also there is \$150,000 for a public building at Fort St. John, B.C., which includes a revote of \$70,000.

WILLINGDON—Jack Zukiwsky was the successful candidate to the village council as a result of last Monday's election. He was opposing Mr. Paul Savisky, whose three-year term on the village council had expired. Mr. Savisky was mayor of Willingdon during his 1950-1951 term.

## Miss Bertha Derval Acclaimed Queen

GIBBONS — Miss Bertha Derval, sponsored by Legion, slim, red-headed, attended by her ladies-in-waiting, Ardith Hall and Katie McLean, her train carried by two red-clad pages, Willa Schram and Bobby Derval, graciously acknowledged with thanks the support of all those who assisted in her ticket selling campaign. The three girls added a colorful note to the carnival dance, each dressed in a lovely formal adorned with corsages of roses and violets, the gift of their sponsor.

## Bruderheim Lions Win Over Devon

FORT SASKATCHEWAN — The local Lions Club have just concluded a curling bonspiel at the local curling arena, playing host to seven visiting rinks and seven representing the Fort Saskatchewan Club. The Bruderheim Lions rink, skipped by Ben Schultz, won the main event by defeating the Devon rink, skipped by J. W. Latta. S. E. Thorne of Fort Saskatchewan took the secondary event, winning from L. Carscaden.

This was the first Lions bonspiel, but from now on it will be an annual event.

## Local Rinks Take Prizes In Mundare 'Spiel

Two rinks of Willingdon curlers participated in the Mundare men's bonspiel held last weekend. The personnel of the participating rinks were: Skip, N. W. Svekla, N. Moscal, T. Houca, G. Kupina; Skip, Dr. W. Lazaruk, H. Savabe, L. Navalkowsky and E. Chmilar.

The latter rink took first prize in the third event.

At present the Willingdon men curlers are having their play-offs for the trophy competition. Last season the trophies were won by the Dickson rink.

## School Bonspiel At Andrew

ANDREW — The students of Andrew High School held their Annual Curling Bonspiel, with rinks from Mundare, Lamont, Chipman, Vegreville, Smoky Lake, Vilna, Willingdon and Andrew participating.

The Grads event was won by the Lamont rink which was skipped by Don Kudryk. Chipman rink skipped by Bill Krawchyszyn took

the second prize in the same event. In the Students' Event, Mundare A rink, skipped by Julian Ulan defeated the Mundare B rink, skipped by Orest Humenjuk, to take the first and second prizes respectively.

At the close of the bonspiel, a banquet was held in the Lions Den, and over sixty curlers attended. N. A. Melnyk, speaking on behalf of the town council, welcomed all the curlers to Andrew, and emphasized the importance of sportsmanship. John Gargus, vice-president of the Senior Curling Club, wished the curlers every success. Kost Hrehirchuk spoke on behalf of the school and its staff of teachers, thanking the rinks from other schools for helping to make this bonspiel successful.

Kenneth M. Radomsky acted as master of ceremonies.

## Now I HAVE A FUTURE UNLIMITED!

"My name is Phyllis. I am six years old. I have a club foot. For a long time my Mommy and Daddy thought I would always be very lame. Soon I will be able to walk without my crutches. Mommy says I am a very lucky girl . . . I think so too!"

Phyllis is only one of hundreds of children who have overcome their physical handicaps through the help of the Alberta Red Cross Crippled Children's Hospital. The new hospital, Canada's largest orthopedic institution, was built by contributions from Albertans with the assistance of provincial and federal grants. It is a monument to the people of this province who wish to give every opportunity to the crippled child . . . to all of us who can open the doors to those with a limited future — to a future unlimited.

Alberta Red Cross Crippled Children's Hospital, Calgary, Alberta.

## YOUR HELP TODAY WILL HELP THEM TOMORROW

Though the Alberta Red Cross Crippled Children's Hospital is only one of numerous Canadian Red Cross projects it is Alberta's most important consideration. During the peak of the 1952 polio epidemic, 149 patients were hospitalized. These were in addition to 142 patients who had been admitted to the hospital during the preceding ten months. What does it take to meet such an emergency and administer to our handicapped children? It takes a highly trained and skilled staff of doctors, nurses, physiotherapists, laboratory technicians, X-ray technicians, administrative and

maintenance personnel . . . It takes provincial government financial assistance as well as all the support through contributions that the people of Alberta can possibly give.

Red Cross work in Alberta is estimated at an annual cost of over \$600,000. Of this total \$321,940 will be required to carry on the work of Alberta's Red Cross Crippled Children's Hospital. After provincial grants have been deducted an estimated amount of \$123,965 is still needed. When the Red Cross worker asks for your contribution . . . give as much as you can.

ALBERTA OBJECTIVE \$459,900.00  
National Objective \$5,310,600.00

## YOUR DOLLARS WILL HELP HERE . . .

● In meeting administrative expenses for nurses, physiotherapists, X-ray and laboratory technicians, nurses' aides, school teachers, domestic and maintenance personnel.

● The maintenance of the hospital brace shop where hundreds of braces and harnesses for crippled limbs are made.

● In the maintenance of an adequate school and library in the hospital for the education of young minds to that patients may acquire a sound education as well as overcome their physical handicaps.

● In support of the hospital orthopedic "gym", specially equipped for the correction of remedial disabilities.

● To treat cases and restore the health of patients suffering from orthopedic conditions, including osteomyelitis, osteochondritis conditions.

Congenital Anomalies . . . Club feet, club hands, hip dislocations and numerous other deformities. Arthrogryosis conditions, tuberculosis of the bones, traumatic conditions (amputations, etc.), malunited fractures, poliomyelitis, arthritis and numerous others.
